

CONTENDRE
SOLAR

Solarising Your World!

A Contribution to
Reduce Carbon Footprint
on this Planet,
**for a More Green &
Clean Future**

India's Most Premium **Integrated Solar PV Manufacturing and Solutions**

- Established in the year 1984.
- The focus is on providing ready-to-use solar systems, and services to environment-conscious citizens
- We offer a variety of Customised Solar Panels and Innovative Module Products with specialised services like EPC (Engineering, Procurement and Construction), OEM (Original Equipment Manufacturer) as well as a wide range of smart solar solutions
- Advanced European Machinery & Equipment
- Full spectrum of photovoltaic solar products 'Made in India'.

Our Beliefs

Mission

Our Mission is to establish an efficient and peaceful co–existence of the environment and human development for a better tomorrow.

Vision

Our Vision is to congregate with our associates, with a motive to build a robust, safe future for the coming generations, through punctual turnkey solar solutions.

Core Values

Our Core Values include sustainability, customer satisfaction, adaptability, quality, innovation, adaptability and responsibility.

Plan for the **Future Growth**

Working today in a way to give maximum sustainable outputs while giving significant returns and profits to both the customer and investors respectively.

Our **Verticals & The Plan**

01

Product Portfolio Strategy

- Expansion to serve a wider audience
- Expansion of capacity
- Becoming an integrated solutions provider

02

Reliable Quality Made With Advance Technology

- Internal reliability testing on module & materials.
- Accelerated Life Testing reliability tests – 25yr warranty.
- Working closely with top laboratories and customers.
- Vertical integration to ensure top quality at each step

03

Prompt Service

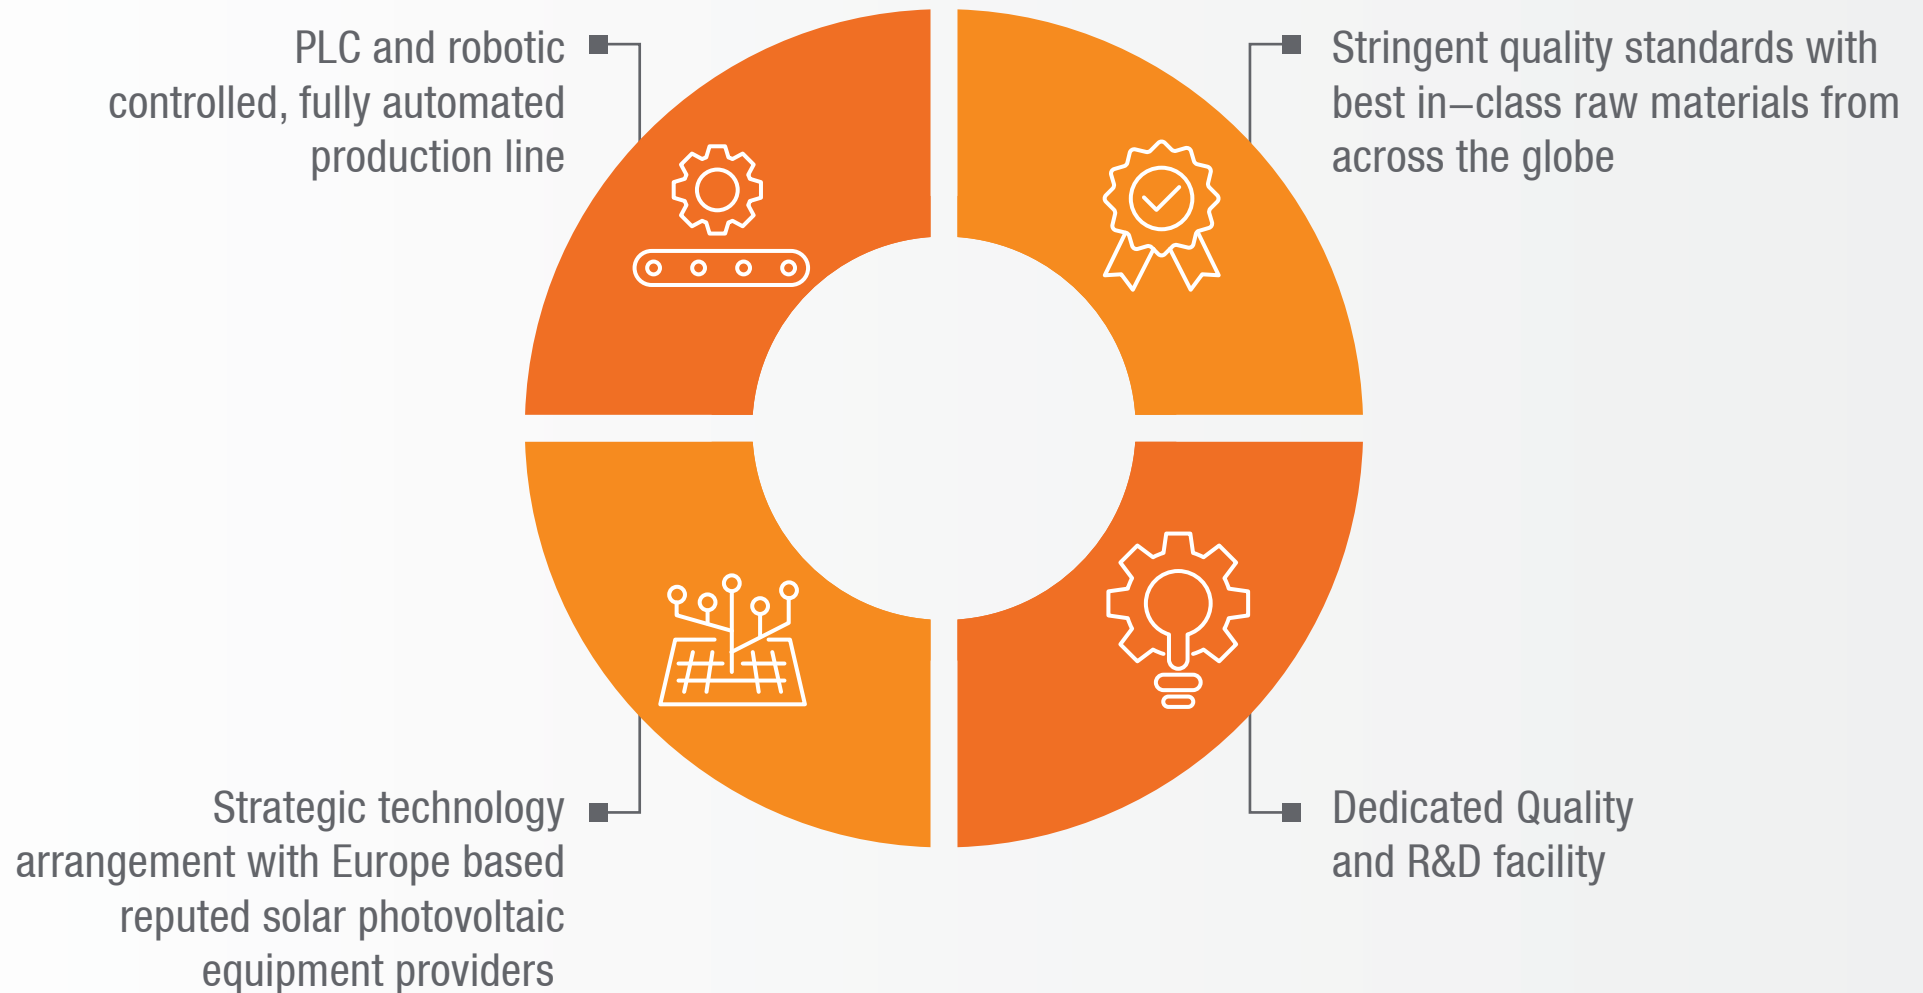

- Local sales & technical team to support sales
- On–line after sales service launch
- Develop global & diversified customer base to mitigate risk and reduce currency exposure

04

Commitment

- Our core principle to growth and success.
- Dedicated to our customers, partners, employees, shareholders, and to every associate connected to the organisation.

State-of-the-Art Facility

Quality Assurance

In Terms of Material

- Stringent Supplier management
- Inward quality checks and Material filtration as per quality criteria
- Proper Storage at Fixed Temperature and Humidity
- SQE Supplier Quality Engineering
- Incoming Material Quality Assurance

In Terms of Production

- 200+ Quality Check Points and Multiple EL Tests
- Dedicated IPQC Supervision
- A+A++ Sun Simulator (Repeatability 0.5%)
- 100% Hi-Pot Test and pre dispatch inspection
- Dedicated after Sales Technical Support

Our Accreditation

Ensuring **Impeccable Products**

- Stringent quality control is the cornerstone of Contendre's manufacturing.
- We continue to invest in state-of-the art equipment and professional training of our employees to keep delivering quality.
- We are proud of our product quality and their reliable performance even in the most extreme conditions.

IN-HOUSE RELIABILITY TESTING

100% Product Testing

- Flash Test
- Electro Luminescence Test
- IR Test
- HV Test
- Ground Continuity test

Testings based on Sampling Plan

- Wet Leakage Test
- Mechanical load Test
- Ball Drop Test
- Junction Box Pull test
- LID Testing

ALMM Empaneled Range

Also Available in Black Variant

Spreading Globally

Our presence is steadily spreading wide. Based out in Bhiwandi, Maharashtra, we have expanded to many more cities.

- Jaipur
- Ahmedabad
- Kohima
- Delhi NCR
- Kolkata
- Jaipur
- Kolkata
- Bangalore
- Surat
- Aurangabad
- Pune
- Chennai
- Bhiwandi
- Nanded
- **Kozhikode**
- **Germany**
- **United States**

Contendre Solar PV Modules Operational
in **20 States & 3 Union Territories**

Our Key Projects

Kolkata
Metro Rail
Corporation

Supply of Modules to:

Kolkata Metro Rail
Corporation 1MW (RESCO)

उत्तराखण्ड पावर
कारपोरेशन लि०

Uttarakhand Power
Corporation 500Kw (RESCO)

500Kw Module Supply at South East
Central Railway Workshop, Nagpur

Approval and Supply of Contendre
Solar PV Modules for NTPC Projects

Make approved by EIL for Supply of
modules for installation at various
locations of CPCL.

Regional Institute of Education, Bhopal
(A Constituent unit of NCERT, NEW DELHI)

Supply of modules for SECI Project
installation at RIE, Bhopal.

Supply of 500KW's modules for
National Highway Solarization
Project in Jhabua, Madhya Pradesh.

MOU with German Logistics Company
for Solarization of it's warehouses
across the country (OPEX)

312.84Kw KMG Wires Pvt. Ltd.
Location: Umbergaon, Gujarat
EPC By: Contendre Solar

1000Kw Kolkata Metro Rail
Location: Kolkata
EPC By: Suncraft Energy

500Kw Pavna Auto Engineering Pvt. Ltd.
Location: Aurangabad, Maharashtra
EPC By: DB Solar

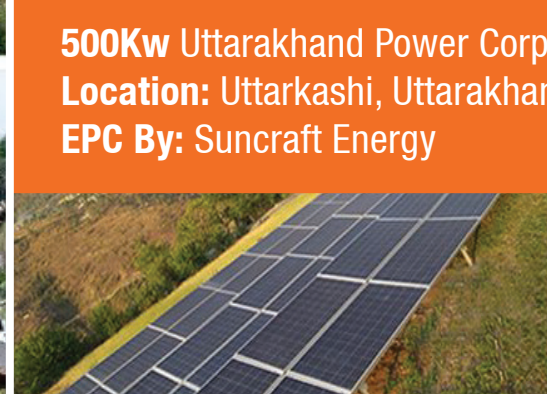

500Kw South East Central Railway
Location: Nagpur, Maharashtra
EPC By: Prakash Solar

3.16Kw Solar Tree House
Location: Kerela
EPC By: Thapas Energy

500Kw Uttarakhand Power Corp. Ltd.
Location: Uttarkashi, Uttarakhand
EPC By: Suncraft Energy

**72 Hrs. Resolution
Assistance**

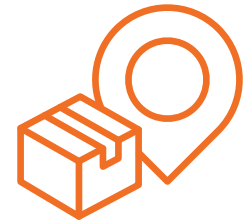

**Butter Replacement
for MW Scale
Project Supplies**

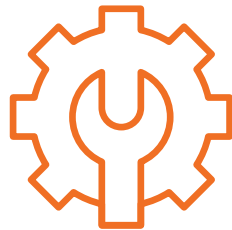

**Quick Transit
Damage Assistance**

We Listen, We Care

Contendre Solar believes in providing the
absolutely best services that there is.

**Dispatch
Tracking Service**

**Technical and
Documental Support**

**FOC Module
Performance Lab
Testing**

Our Growth So Far

Expansion to Meet the Needs of
Energy Reform

2025

Backward Integration

Further Expansion up to 500MW with backward
integration into Raw Material Manufacturing

2023

Expansion of Manufacturing Unit

Expansion of Module Mfg. Unit to 200MW with
addition to our existing product range

2019

Establishment of Contendre Solar

Initiation of Module Manufacturing & Solar Solutions
Business by Contendre Greenergy Pvt. Ltd.

Be A Part of **Contendre's Family**

Gain exclusive regional rights by joining Contendre's Ally Program.

Enrol in the program today, to become a significant distributor of premium solar products, services and solutions.

A Step Close To Sustainability

Contendres Solar Solutions To Revolutionise The Need For Green Resources

Headquarters

909, Filix Tower, LBS Road,
Bhandup West, Mumbai-78.
Maharashtra

Manufacturing Unit

Unit I/6, Rajlakshmi Hi-Tech Park, Sonale
Village, Off Mumbai Nashik Highway,
Bhiwandi, Maharashtra- 421302, India
